ADDISON RESERVE HOSTS TEE IT UP FOR THE TROOPS GOLF TOURNAMENT

On October 19, Addison Reserve Country Club hosted the Tee It up for the Troops Golf Tournament. The event started with the arrival of a Blackhawk helicopter, courtesy of the Florida National Guard. The ceremonies were opened by Liddy Clark, a student at American Heritage, who sang the National Anthem and by a Marine color guard. The golf tournament was a shotgun format pairing Marines and Navy personnel or Wounded Warriors with three of the Club's members. A cocktail reception, dinner and silent auction followed the golf tournament. In all, 29 foursomes were fielded for this annual event. The generosity of vendors and membership of the Club raised over \$25,000 for the charitable organization.

Tee It up for the Troops, a 501(c) 3 charitable organization was created in 2005 to help support the fallen and disabled members of our Armed Forces and their families. The mission is to honor, respect and remember the service of those that have given so freely to protect our great nation. In 2005, the inaugural year for the organization, they raised over \$80,000. Today, over \$3 million dollars has been raised through hundreds of events throughout the country. Ninety-five percent of the proceeds raised at Tee It up for the Troops events go directly to numerous programs that continue to benefit and support the veterans and their families. The organization's donations have been made possible due to support from the American public, many of them veterans themselves. Tee it up for the Troops, Inc., 2422 East 117th Street, #102, Burnsville, MN 55337. 952-646-2490, Fax 952-882-9499, Email info@teeitupforthetroops.org
