April 26, 2017

Dear CMAA Colleague:

Thank you very much for your support of the 2016 CMAA Florida Chapter Seminole Region Charity Golf Tournament, which netted in excess of **\$575,000** for local kids!

As you know, it is only with the support of partners like you that we are able to continue to offer such a wonderful event for the benefit of the children in our own backyards!

Enclosed is the brochure for the 2017 Tournament. If you plan to play this year, please return your registration **as soon as possible** as we will sell out fast.

Your foursome registration includes four tickets to the wonderful Pre-Tournament Gala that will start the fun on Sunday night. In addition, with the purchase of a foursome, up to four of your guests are welcome to the Gala for the \$100 ticket price. All additional guests, with or without golf foursomes, may join the festivities on Sunday night for the \$200 ticket price.

Please contact the Hilton Boca Raton Suites at 561-483-3600 and refer to the CMAA Charity Golf Event for your special rate.

We look forward to welcoming you to the party on Sunday night, **June 11** and wish you the best of luck for golf on Monday, **June 12!**

Regards,

Jay DiPietro, CCM
Chairman
