

2019 City & Country Club Council Educational Symposium & Annual Meeting

MAY 5 - 8, RALEIGH-NC

It's Your Facility. Manage it!

The City and Country Club Council is pleased to announce the 2019 Educational Symposium and Annual Meeting held at the Raleigh Convention Center.

Each year facilities managers from various clubs, such as Congressional Country Club, The Country Club, and Chevy Chase Country Club, gather for an educational symposium on best practices and to aid the council in establishing annual goals and objectives for the upcoming year.

This event is a perfect opportunity to network and connect with hundreds of like-minded professionals, while learning unique perspectives from industry experts and leaders in the field. With sessions led by insightful speakers and an expo hall full of service providers, you'll have a chance to learn and create effective strategies and practices that you can apply to your organization.

This year, we are partnering up with Dude Solutions/Dude University to provide a highly diversified schedule of sessions to fit the interest of any, if not all, facility managers in the club industry.

To give you an idea of what types of sessions you might expect at Dude University, here are a few from last year's conference:

- Planning for the Future of Your Facility: Ensuring Capital Needs are Met
- Boiler Room to Board Room: Gaining Organization Wide Buy In
- Reaching the 80/20 Goal of Planned Maintenance
- Facility Condition Assessment: What's the Point?
- Capital Forecast: Managing a Live Capital Plan
- Facility Planning & Prioritization
