To benefit Barbara's Friends

Golisano Children's Hospital Cancer Fund

Thanks to generous donations made to Barbara's Friends, more than 5,000 young patients have received life-saving care.

Now MORE will be helped with the opening of the new Golisano Children's Hospital of SWFL at Health Park.

In the past children were sent to St. Petersburg or Miami to get needed care.

Last year 250 children with cancer, and more than 1,500 with blood disorders, were treated at the Barbara's Friends Pediatric Hematology and Oncology Outpatient Center.
