

I'm not going to take up your time with a long email about why you might want to attend the workshop on Monday, March 24. Instead, I am just going to give you an excerpt from the *first page* of the handout you will receive. Read it over, get excited, and then get yourself to the meeting!

If you are serious about making 2014 the year you finally achieve a professional and personal BREAKTHROUGH, you won't want to miss this opportunity. You will walk out of that session with THREE (3) tools that 99.5% of the professionals in your field are NOT using right now.

Do you want to stand out? Do you want to MAKE MORE MONEY in the next five years? Check out the excerpt below:

From Bill Quain's Handout –

Is it really possible to make more money by working less?
Are you tired of being afraid, feeling stressed, & always worrying about money?

If you could *automatically* get rid of the thing that keeps you awake at night, would you be willing to make just ONE, SIMPLE change in your life to do it?

If you really would like less stress, and if you would *actually* like to make more money – without doing more work – then you need to learn to “stir the pain” whenever you find a problem.

And, that's what this workshop is all about – you will learn to change your fortunes by changing the way you speak, act and think.

You will become a more valuable Human Being – and you will learn how to *sell* that value to people with money.

Adding Value (The Secret to Success in *any* endeavor)

Okay, that's it for now. See you there?
