**“Helping Kids with Cancer”**

**The Children’s Hospital Cancer Fund • Lee Memorial Health System  
Foundation**

The new Golisano Children’s Hospital of Southwest Florida opened in Spring 2017. The hospital has an outpatient hematology/oncology unit, pediatric pharmacy, MRI, diagnostic unit, pediatric emergency department, family lounges, playrooms, and an outdoor play area. The hospital is being built largely with help from community donors. By supporting the CMAA Charity Classic, you and your company are helping children with cancer or blood disorders under Barbara’s Friends – Golisano Children’s Hospital Cancer Fund. Barbara’s Friends helps fund programs, services, equipment, and the best in medical care for children in our community so no child will have to leave home for treatment.

Lee Memorial Health Systems Foundation’s state registration number is CHI4406. A copy of the official registration and financial information may be obtained from the Division Consumer Services by calling toll-free \*800-435-7152 within the state.

**Kimmie’s Recovery Zone**

Kimmie’s Recovery Zone is a recovery community organization (RCO), an independent, non-profit organization led and governed by representatives of local communities of recovery. These organizations assemble recovery-focused policy advocacy activities, carry out recovery-focused community education and outreach programs, and/or provide peer-based recovery support services. Kimmie’s Recovery Zone is named after Kimmy Kinkle, the late daughter of longtime FLCMAA Event Chair, Al Kinkle.
