We would also like to recognize Alan Raulerson for his certification of CCM, CCE.
Congratulations Alan.

We held a sensational Regional meeting at Wyndemere Country Club in April with 85 members in attendance. Stephanie Staples gave a great presentation. Our next Regional meeting was hosted Mark W Neneman at Palmira Golf Club. "Al Kinkle moderated a panel of professionals from the PGA of America, MDASA, ACF and CMAA members rounded out the panel. It was certainly one of the most energetic meetings held in some time and could have gone all day. All participants had multiple opportunities to engage and ask questions and share practical ideas". The meeting had 84 attending.

Our next meetings will be July 27th, at Gateway Country Club hosted by John Costello. Dennis Snow will be presenting. Our final summer educational event will be at Windstar Country Club hosted by Nancy Boros. Lauri Martin will be presenting. The Everglades Region would like to thank our Education Chairman David Gillespie for his great work in bring us great education this summer.

The Everglades Region has supported local needy children in in Southwest Florida for 18 years and has raised over \$1,500,000 in support of local charities. This year's Charity Classic will be held at Wyndemere Country Club and Naples Yacht Club October 23 and 24th. Al Kinkle and Jack Sullivan are this year's Co-Chairman. Please come join us.

Our Chapter also instituted a 2015 Regional Education Guest Policy. Due to the generosity of our Chapter Partner - John Deere Golf, we are able to invite 2 non-members/guests from each club to enjoy FLCMAA Regional Education sessions held in the Everglades Region. With this program in place we have increased attendance by 30 %.

In closing, I want to take a moment to thank Beth Sargent, our Managing Director and her assistant Cherie Kennen for all that they do for our region and our chapter.

We're looking forward to seeing you in Key Largo!

Jimmy Lynn, CCM, CAM and Mark Neneman
Regional Co-Directors
