DONATE a round

APRIL 24 - 30, 2023

to support your GCSAA chapter
and **help foster sustainability.**

ROUNDS4RESEARCH.COM

Proceeds raised from the auction
are used to fund turfgrass research
as deemed a priority for the Florida
GCSA.

administered by:

presented in partnership with:

TORO

WHAT

- The Rounds 4 Research program was designed to address a critical shortage in turfgrass research funding by auctioning donated rounds of golf online.
- The program is administered by the GCSAA Foundation, the philanthropic organization of the Golf Course Superintendents Association of America.
- Rounds 4 Research allows GCSAA chapters and turfgrass foundations to participate as fundraising partners with the vast majority of proceeds going back to those organizations. In this way, these organizations can direct the proceeds to specific projects that will have the most significant impact in their local areas.

WHY

Helping your chapter is as simple as donating a round of golf...

- Golfers and golf facilities are the ultimate beneficiaries from the investment of these funds.

Your donation will support the Florida GCSA and its commitment to ongoing research funding in Florida.

The Florida GCSA encourages individual chapter donations to the Florida GCSA Research Account. The Florida GCSA is currently funding:

- Statewide Evaluation of Novel Reduced Input Turfgrasses and Perennial Peanut Mixtures That Enhance Golf Course Ecosystem Services
- Improvement of Strategies for Postemergence Goosegrass Control in Bermudagrass Turf on Florida Golf Courses
- Effects of Reclaimed Water Irrigation Rates on Bermudagrass Fairways Performance
- Developing Golf Course Renovation Programs with Herbicide Alternatives to Glyphosate
- Developing Comprehensive Tropical Signalgrass Control Programs for Florida Golf Courses
- Influence of Colored Sand Topdressing on Plant Health and Water Movement Dynamics
- Evaluation of Different Aerification Methods and Topdressing Materials for "Ultradwarf" Bermudagrass Putting Greens
- Risk Thresholds for Lance Nematodes on Ultradwarf Bermudagrass
- Economic Impact of the Florida Turfgrass Industry in 2019
- Support of the Environmental Research & Education Foundation

HOW

Visit Rounds4Research.com to donate today!

Donations can be made online or by downloading and mailing in a donation form to the GCSAA Foundation.

Unable to donate a round?

Please consider a monetary donation to support our cause. **Mail your check to:** Rounds 4 Research, 1421 Research Park Drive, Lawrence, KS 66049, **or call** 785-832-4445 to make a donation via credit card.

The 2023 Rounds 4 Research auction takes place April 24 - 30. Available rounds may be viewed by visiting Rounds4Research.com.

How can you help promote Rounds 4 Research Auction?

- Use **#R4R2023** hashtag in your social media post leading up to and during the auction.
