Marathon Golf
Thursday, May 23, 2013***

Congratulations to JT Thatcher, Mark Puls, and Ryan Schultz, who played 111 holes during last week’s “Fore the Community” charity marathon golf event! They withstood the heat to beat the previous record of 110 holes, set in 2011 by Jimmy Buell, Joe Gamlin, and Roger Kennedy. Well done, guys!

We would also like to congratulate and thank our incredibly generous members who donated and helped us raise \$20,000 for the children of SOS Children’s Village, Toys for Tots, and Special Olympics.

We are proud to be a part of this wonderful event and we know the children who will benefit from your kindness will be very appreciative.
Thank you for your support!

It is not too late to participate! We encourage you to contact Beth Meister at md@flcmaa.org to see how you can help. Together, we can make a difference!
