**Saturday, June 2, 2012**

*The twelfth annual HFTP Florida Gulf Coast Chapter Charity Golf Tournament is a very important event for our chapter. Our goal is to raise \$10,000 for Barbara's Friends which raises money for Children with Cancer. Barbara's Friends as our Charitable Organization and we couldn't be happier! Barbara's Friends is a wonderful organization and we hope to make this the largest Charity Tournament that our chapter has ever run.*

This year the tournament will be held on Saturday, June 2, 2012 at Pelican Sound. The Audubon certified, 27 hole championship private golf course was designed by the talented team of course architect Chip Powell and Senior PGA Tour Player, Mike Hill. The three nine-hole courses, the Sound, the River, and the Lakes, were thoughtfully created to preserve the integrity of the many areas of wetlands and woodlands. The result is an ecologically sound environment with phenomenal play that even Professionals find challenging. Pelican Sound Golf and River Club is one of 75 courses in Florida and 599 courses in the world to receive the distinction of Audubon certification. There will be beverages provided on the course as well as a fantastic dinner, open bar and award ceremony following the tournament. Ask any participant from last year's event if they had a good time!

This will be the first big tournament coming out of the season so don't miss out on the opportunity to play one of the best courses in SW Florida, and make a contribution to a very worthy cause. Please take the time to put a team together and maybe find a sponsor for a tee sign, our open bar or beverage carts since we do provide all of those as part of our entry fee. Please contact any member of the Tournament Committee if you have merchandise to donate for the raffles or a possible sponsor.
