Lido Casino Night Benefitting Loveland Center

HFTP Manasota Chapter's charity of choice is The Loveland Center. The Loveland Center is an adult day training facility for adults with disabilities. With the Chapter's help, Loveland opened a residential facility (The Village) on the same campus of the Center. This unique environment has strengthened the Mission Statement which is "To help individuals with intellectual and developmental disabilities live their lives to the fullest." The Manasota Chapter is proud to be involved with this wonderful charity for over five years and look forward to embracing the future with continued support!

Established in 1962, Loveland Center is a nonprofit organization serving individuals with intellectual and developmental disabilities. For over 55 years, Loveland has been dedicated to providing each person the opportunity to find their own voice— creating a platform for them to be seen. Through our education programs and vocational services, Loveland encourages self-advocacy and strives to develop greater independence for those we serve.

For more information on The Loveland Center please visit www.lovelandcenter.org or follow us on Facebook!
