

Director of Food & Beverage

Isleworth Golf & Country Club an exclusive private country club, located southwest of Orlando and ranked in the Top 20 Platinum Residential & Golf Communities is seeking an exceptional candidate to join our elite team of professionals. Comprised of an 18-hole championship golf course, an 89,000 square foot multi-levelled Clubhouse, ensconced by the timeless elegance of Mediterranean architecture. The ambiance of the country club can only be matched by the excellence of its management team.

Our membership of 500+ enjoys several dining options throughout the year whether it is themed dining nights, holiday events or just a casual lunch or intimate dinner in one of our several dining outlets. The club generates \$5.5 Million in Food & Beverage revenue per year.

Dining Facilities: • Wine Room (seats up to 40) • Men's Grill (seats up to 60) • Formal Dining Room (seats up to 80) • Casual Dining Room (seats up to 120) • Poolside Dining (seats up to 120) • Grand Ballroom (seats up to 170)

Candidate Profile

This position will oversee & manage day-to-day operation of all dining outlets. The ideal candidate will provide leadership, direction, supervision and guidance to ensure the highest level of service and amenities to our members and guests. This position reviews and analyzes various financial results/reports to monitor overall F&B performance and takes corrective action as needed. Executes inventory control and calculation for monthly analysis and reconciliation. Responsible for hiring, development and evaluation of service staff. This position will also work in conjunction with our Culinary and Catering team to provide our members and guests with an exceptional club experience.
