FOR YOUR MEMBERS.

You and members of your course will receive discounts on John Deere homeowner equipment and more. Like the popular X300 Series Lawn Tractors and line-up of Gator™ utility vehicles.

FOR YOUR COMMUNITY.

John Deere Golf Rewards gives a portion of every club operation purchase back to your operation as a rebate. You can then decide how to invest these funds where they will do the most good, and sit back and watch the results.

John Deere Golf Rewards is just another example of the world-class products and support you can expect when you work with us. Contact your local distributor to learn more about how John Deere Golf Rewards can benefit your course and community

THE BENEFITS OF MEMBERSHIP.

John Deere is known worldwide for superior, innovative equipment and the most sophisticated, responsive distribution network in the industry.

Now we're offering an exclusive program to CMAA members that immediately rewards you for tapping into both. John Deere Golf Rewards delivers the trust, reliability and strength of working with John Deere—along with discounts, rebates and other benefits. When coupled with our customizable financing options, there's simply never been a better way to improve your course operations with confidence and ease.

So whether you lease or buy, need a new fairway mower or help with landscaping, you'll be better able to maximize your budget, maintain your course and benefit your community. It's our way
