RE: Jupiter Children's Foundation Golf Tournament
Peacock + Lewis Project No. M19-067

Dear Alan,

As the summer is drawing to a close and the season of 2019-2020 is now around the corner, it is a time for reflecting on what a great organization FLCMAA is, what it means to all of us as members and how we all benefit from each other with information, support, advice and friendship.

Another opportunity presents itself for fun, fellowship and philanthropy this season. Since 2000 Peacock + Lewis, along with other civic minded individuals and businesses, has supported the Jupiter Children's Foundation (JCF) which contributes annually to Florida children's charities. Since its inception the JCF has distributed over \$2 million to The West Jupiter Tutorial Center, Thelma B. Pittman Preschool, First Tee of the Palm Beaches and the Nicklaus Children's Health Care Foundation. We have witnessed the difference that our support has made for the families which JCF serves.

FLCMAA can proudly add the JCF to their long list of community philanthropic entities it supports playing a significant role each year in the amount of money we raise at our annual golf tournament. Auction items such as foursomes, overnight stays, apparel, spa treatments, dinners and cruise opportunities, all contribute to the money we raise.

Thank you to Rick Bayliss, this year our 19th anniversary Invitational golf tournament will be held on Friday, October 4th at the Lost Tree Club.

We appreciate all that FLCMAA does for our community. Together we make great things happen. As in past years, we would appreciate it if an email or notification could go out to the FLCMAA members for their support of this event.

Sincerely,
Peacock + Lewis Architects and Planners, LLC
