The work these organizations do is powerful,
life changing, and wonderful beyond words.
It is **YOU** who have empowered them to fulfill their missions.

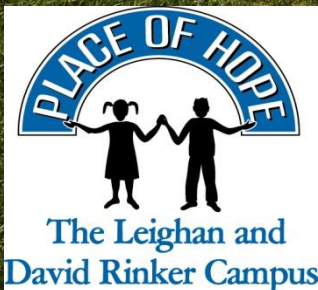

The First Tee of The Palm Beaches is a youth sports organization whose mission is to transform the experience that kids, families, and veterans, including those with disabilities, have with the game of golf. We are engaging the next generation of fans, growing and diversifying the sport and positively impacting millions of kids along the way through our Nine Core Values: Honesty, Integrity, Sportsmanship, Respect, Confidence, Responsibility, Perseverance, Courtesy, and Judgment.

Special Olympics gives athletes with intellectual disabilities the opportunity to build confidence, feel empowered and excel in sports while changing attitudes, breaking stereotypes and inspiring others. Special Olympics changes lives!

Unicorn Children's Foundation is a non-profit organization providing education, awareness and funding opportunities to organizations for special needs children in an effort to help them excel in the community. The Unicorn Children's Foundation is expanding the collective special needs community to help acknowledge, celebrate and integrate the special qualities possessed by neurodiverse children with Autism, ADHD, Bipolar, Asperger's, Dyslexia and other learning disorders.

Place of Hope is a unique, faith-based, state-licensed children's organization providing family-style foster care (emergency and long-term); family outreach and intervention; maternity care; safety for victims of domestic minor sex trafficking; transitional housing and support services for youth aging out of foster care; housing and support services for homeless families; foster care recruitment and support; hope and healing opportunities for children and families who have been traumatized by abuse and neglect throughout our region.

SOS CHILDREN'S
VILLAGES
FLORIDA

SOS Children's Villages Florida is a residential program for children in foster care who have been removed from their families due to abuse and neglect. We provide a family oriented community offering healing, hope and home so that children and families can become self-sufficient and productive members of society.

Florence Fuller Child Development Centers (FFCDC) is the place local children in need turn to for the early education, safety, and nutrition they need to grow happy, healthy and successful. Since its founding in 1971, FFCDC has helped thousands of working-poor families build nurturing homes, and thousands of children build brighter futures.

The George Snow Scholarship Fund is dedicated to helping individuals in financial need through a scholarship program for residents of South Florida, who are continuing their education. Our goal is to help deserving individuals within our community achieve their career goals, an objective which has the added benefit of bettering the community at large. Our goal is to insure that no deserving scholar in our community will be deprived of higher education because of a shortage of funds.

4KIDS is propelled by the vision of a home for every child. Whether that is a child removed from their home for the first time, siblings who need to stay together, a young mom in a unplanned pregnancy who needs a refuge, or a young adult who needs a place to belong, 4KIDS is there with hope and homes.

2018 MARATHON GOLF RAISED OVER \$300,000 FOR CHILDREN IN NEED!

THANK YOU FOR YOUR CONTRIBUTIONS AND HARD WORK!

FIRE THE COMMUNITY

LETS SET A NEW RECORD FOR 2019!!

Of the 18 teams playing Marathon Golf, 13 were South Florida Clubs.

There are approximately 130 Clubs in the Seminole region.
That means that 10% of the Clubs are playing MG, 90% are not!

The average MG income among participating Clubs is \$14,500! If we could get 50% of the Clubs to participate the income from MG would be just short of \$1Million per year!

50% may be unrealistic, but surely we can do better than 10%!!!!

TOGETHER WE CAN ACHIEVE OUR GOAL!

A MILLION REASONS TO PLAY MARATHON GOLF
