### **Objective**

To acquire an intern position in the hospitality field for a potential future employer.

### **Highlights of Qualifications**

- Successfully completed courses in: Fundamentals of Food Service Production, Skills of Meat cutting, Traditional European Cuisine, Introduction to Baking and Pastry, and Introduction to Menu Planning and Cost Controls
- Improved skills in being a line cook through experience at San Juan Marriot Hotel
- Semi-bilingual; understand a good amount of Spanish through my work in San Juan, Puerto Rico.
- Open to new ideas and new ways to get things done
- Dedication is very important
- Always ask questions when unsure
- Very quick learner and anxiousness to start management experience

### **Relevant Skills and Accomplishments**

#### **Culinary Skills**

- Achieved top knife skills in Food Service Production
- Great Skills in preparation of Stocks and Sauces
- Achieved success in working on the hot line for La Vista Restaurant at the San Juan Marriot Hotel.
- Experience with working on the cold line including salads, ceviches, and desserts.
- Increased experience in Latin food through my work in Puerto Rico

#### **Supervisory Skills**

- Managed the stocking for the freezer at Costco
- Managed the recovery of the freezer/coolers at work
- Took care of the rotisserie chicken area at Costco, good understanding of sanitation and promptness.

#### **Organizational Skills**

- Organized the re-arranging and stocking of the freezer at work.
- Organized and assured the service for dinners in labs
- Applied first in first out procedure to the cooler at work, to ensure freshness
- Working as set up and prep cook for the La Vista Restaurant at the San Juan Marriot, made sure hot and cold lines were set up for service.
