## Clubhouse Manager Position Overview

Our new Clubhouse Manager will join a tenured Management Team as we take our Member Experience to the next level! The Clubhouse Manager position is a relatively new one at PIYC and was developed to provide additional support for our growing programming.

The Clubhouse Manager will work closely with all operational departments to facilitate a seamless Member Experience and efficient staff support for dining, events, and amenity services. The Clubhouse Manager will be integral to the International Worker (H2B Visa) program for PIYC, and will be heavily involved in the recruiting, on-boarding, and training of our seasonal staff. The Clubhouse Manager will be an active leader in the Club's Food and Beverage program, with an emphasis on Member Experience and extraordinary events.

**CLUBHOUSE:** The Facilities and Housekeeping team will report directly to the Clubhouse Manager and consists of 5 year-round employees plus 3-5 seasonal employees. This department keeps our facility sparkly-clean and well-maintained with great enthusiasm. They also support all of our sports, paddle activities, special events, and food and beverage set-up and equipment maintenance.

**FOOD and BEVERAGE:** The Clubhouse Manager will join the Director of Food and Beverage and our Executive Chef in planning and executing an F&B program that is 7-days a week in Season with a varied selection of offerings. A primary emphasis for this role will be cross-departmental coordination for special events and amenity-related dining, such as during Bocce League Play and poolside dinners.

**CLUB AMENITIES:** PIYC has a very active Membership! From Pickleball to Bocce, Kayaking to Canasta, our Members love to play and socialize. The Clubhouse Manager will work closely with our Administrative and Operational Department heads to ensure programming is successful and properly supported on campus. This role will be a highly engaged Member of our team, and will be a presence to the Membership in the dining room and on the Courts.

**SEASONAL WORKER PROGRAM:** We have approximately 25 workers each Season that join our Clubhouse and Food and Beverage Departments. The Clubhouse Manager will own responsibility for the logistics of this program to include housing and transportation as well as be integral in the recruiting, on-boarding and offboarding each year.
