 Signature: _____ Date: _____

Note 1: If two or more CMAA members attend the same allied association program, any credits approved will be awarded to each attendee who provides his/her CMAA membership number and signs and prints his/her name on a list or roster attached to this form.

- Allied Association Education Credits are awarded on the basis of one credit per hour of instruction up to a maximum of 10 credits per week. These credits do not count toward the Education Credit requirement for Active membership status nor the CMAA/CMI education requirements for certification, Honor Society membership, or MCM eligibility. They do count toward the total credit requirements for certification, recertification, Honor Society and MCM eligibility. No credits are awarded for allied association programs prior to January 1, 1984.
- A copy of a certificate of completion showing the date(s) of an allied association education program submitted with this form will serve in lieu of the presenter's/instructor's certification. Attendance at educational sessions at allied association annual conferences can be documented by submission of the conference program (marked to show sessions attended) and a copy of the conference badge together with this form. Refer to page 88 for a listing of CMAA's allied associations and organizations.
- The Certification Department reserves the right to deny credits for any program that does not meet Certification/CMI standards. You will be notified if the petition is denied and no credits will be awarded.
