

Quail Creek Country Club Director of Finance

Quail Creek Country Club is a full-service, member-owned Club that was one of the first established in Naples. We are located in the Quail Creek Estates community; seventy percent of our members live near the beach or in other neighborhoods. Our clubhouse and golf courses are surrounded by 291 estate-sized homes on lots of nearly an acre or larger. This, combined with mature trees and accent landscaping, creates feelings of spaciousness and tranquility, unlike most other clubs in Southwest Florida.

We feature two Arthur Hills-designed, 18-hole golf courses. On top of that we offer signature culinary experiences by our award-winning Chef, a full and exciting social calendar, 9 Har-tru tennis courts, including an exhibition court, six new pickleball courts, a Blue Zone Certified state-of-the-art Sports Center & Spa featuring Technogym equipment, and numerous groups, clubs and activities.

We are seeking a Director of Finance to lead our team. Reporting to the General Manager & Chief Operating Officer, the Director of Finance will be responsible for the preparation of monthly financial statements, budgets, balance sheet analysis, fixed asset accounting and tax reporting. The position will supervise a staff of two direct reports including A/P and A/R.

The ideal candidate will have 5+ years of progressive accounting experience as a Director of Finance or Controller of a member-owned private club and have a bachelor's degree in accounting (CPA or CHAE designation preferred). Competencies include strategic thinking, financial management, and trend reporting. Candidates must have excellent analytical and communication skills and be proficient in Microsoft Word and Excel, as well as club management systems. Experience with Jonas software would be highly beneficial for this position. Salary is competitive and is commensurate with qualifications and experience; excellent benefits package.

Interested candidates should send their resumes via e-mail ONLY to Chad Schultenover, General Manager & Chief Operating Officer at CSchultenover@QuailCreekCC.com.

NO PHONE CALLS PLEASE.
