

Rob Broline
Director, Risk Advisory Services
rob.broline@mcgladrey.com

Summary of Experience

Rob is a Director in McGladrey's Risk Advisory Services group. He has thirteen years of experience in project management, risks and controls, business process analysis, contract compliance services, construction risk management, forensic investigations and financial statement audits. Rob worked for a Big 4 Accounting Firm (KPMG) in the past for nine years in external audit and internal audit / risk management.

Rob specializes in facilities and construction risk management and has performed numerous contract compliance and process reviews as the Project Director, on multiple client engagements. He has helped clients:

- Assess whether contractors and vendors are invoicing according to the contract terms and conditions.
- Determine whether the appropriate internal control structures are in place
- Whether or not the contract terms and conditions, financial processes and controls follow industry standards and best practices
