

WHAT DO JACK NICKLAUS, ERNIE ELS, KRIS TSCHETTER, CMAA, NATIONAL CLUB ASSOCIATION, AND FLCMAA SEMINOLE REGION ALL HAVE IN COMMON?

They are **ALL** supporting the **ClubsHELP 100-Hole Challenge!!**

The new normal is not normal!

Many charity galas, charity golf tournaments and other life-changing fundraisers have been cancelled.

Playing golf in the 100-Hole Challenge allows social distancing and can be played NOW!

Charities and our Communities NEED OUR HELP!

ClubsHELP 100-Hole Challenge started with people wanting to help hospitals, first responders and medical workers, and quickly grew.

It now includes children's charities, scholarship funds, foundations, medical research, and more!

We merged our FLCMAA Seminole Region Marathon Golf with this National effort!

Please watch the videos below. They are short. It only takes a few minutes.
