Over the years, I have witnessed firsthand our impact on the lives of thousands of children throughout South Florida. Together we inspire hope helping kids overcome adversity, poverty, and health challenges that impede their dreams and aspirations. The monies we raise allow them to have a roof over their heads, buy clothes and purchase other necessities that we often take for granted. But more needs to be done to make sure every child has an opportunity to reach their full potential.

To achieve this goal, I am excited to announce our upcoming Annual Golf Tournament, scheduled for **Monday, June 3, 2024**. We are grateful to Ryan Walls and the members of BallenIsles, who have generously offered to host this one-day tournament for us. This event will, of course, feature fabulous food and drinks and a great day of golf. However, please know that this tournament will be different than in years past.

Our charities need our help more than ever as they deal with the rising costs of goods and services. To make a worthwhile impact, we're restructuring our approach to ensure maximum impact. Thirty key vendors have generously stepped forward with a minimum donation of \$15,000 each. This substantial contribution warrants a change in our format, allowing these vendors the prime opportunity to network and engage with decision-makers from various clubs. Hence, we're inviting one decision-maker per club, specifically targeting GMs or their second in command, as they hold the reins of day-to-day operations.

These vendors, representing a diverse range of industries including construction, food purveyors, wine/liquor suppliers, and more, will participate in the tournament alongside 3-4 decision-makers. Subsequently, they will have the opportunity to socialize with the remaining decision-makers during dinner, maximizing their chance to network and foster valuable connections.

But to make this event a success, we need your involvement. The committee has decided to encourage maximum participation from you as the decision-maker, you have the flexibility to choose the amount you'd like to pay to participate. While we hope for a donation of the original \$1000 fee, you are also free to decide between \$500 or \$750. Our goal is to make it as accessible as possible for everyone to sign up and support the cause.

If you plan to join us on the course this year, kindly respond promptly by emailing [kristint@addisonreserve.cc](mailto:kristint@addisonreserve.cc) with the participant name and the chosen participation fee. Local children and charities are relying on your support.

If direct participation is not possible, we encourage your Club to consider making a monetary contribution. Kindly make any monetary contributions payable to the Seminole Region Charity Golf Tournament and send to Addison Reserve Country Club, attention: Kristin Terrel, 7201 Addison Reserve Blvd., Delray Beach, FL 33446. Your generosity will undoubtedly have a meaningful impact on their lives.

Thank you sincerely for your ongoing dedication to our cause. I am hopeful that we will continue to make a significant difference in the lives of these children and create a lasting legacy that we can all be proud of.

Sincerely,

*Michael McCarthy*
