2012 Florida Chapter Annual

Last week, the Florida Chapter launch occurred on our newest communication piece - the **2012 Florida Chapter Annual**.

This annual magazine showcases our chapter's culture and history while providing a snapshot of CMAA member benefits, 2012 Regional and Summer Conference professional development sessions as well as statewide networking opportunities.

The **2012 Florida Chapter Annual** is the perfect marketing piece for current members, club board members and future members of our Association.

All current FLCMAA members should have received their complimentary copy of the **2012 Florida Chapter Annual** last week. Limited supplies of Annuals were printed so order additional copies for your club board members and key staff today!

Price: \$8 each
Order: Request additional copies at info@flcmaa.org.
