

## If We Could Have Dinner

### Six Things I've Learned In My First Two Decades of Leading

1. It always takes \_\_\_\_\_ than you think it will (or should.)
2. The goal line is a \_\_\_\_\_ target.
3. Leading \_\_\_\_\_ will always be the hardest person I have to lead.
4. The \_\_\_\_\_ you surround yourself with, will affect your success more than anything else.
5. You will have to endure more \_\_\_\_\_ than you think you will.
6. It is \_\_\_\_\_ it.
