

JOHN DEERE GOLF REWARDS.

THE PROGRAM

JOHN DEERE GOLF REWARDS* COMBINES THREE SIGNIFICANT BENEFITS FOR YOUR CLUB, YOUR CHAPTER AND YOUR MEMBERS.

1. For your club operations, it includes preferred pricing on John Deere golf maintenance equipment and more.
2. John Deere Golf Rewards gives a portion of member-club purchases back to CMAA Chapters.
3. Lastly, after your first purchase, your club's membership can receive discounts on popular John Deere homeowner equipment like lawn tractors and Gator™ Utility Vehicles.

* Terms, conditions and restrictions apply. See your participating John Deere Golf Distributor for complete details.

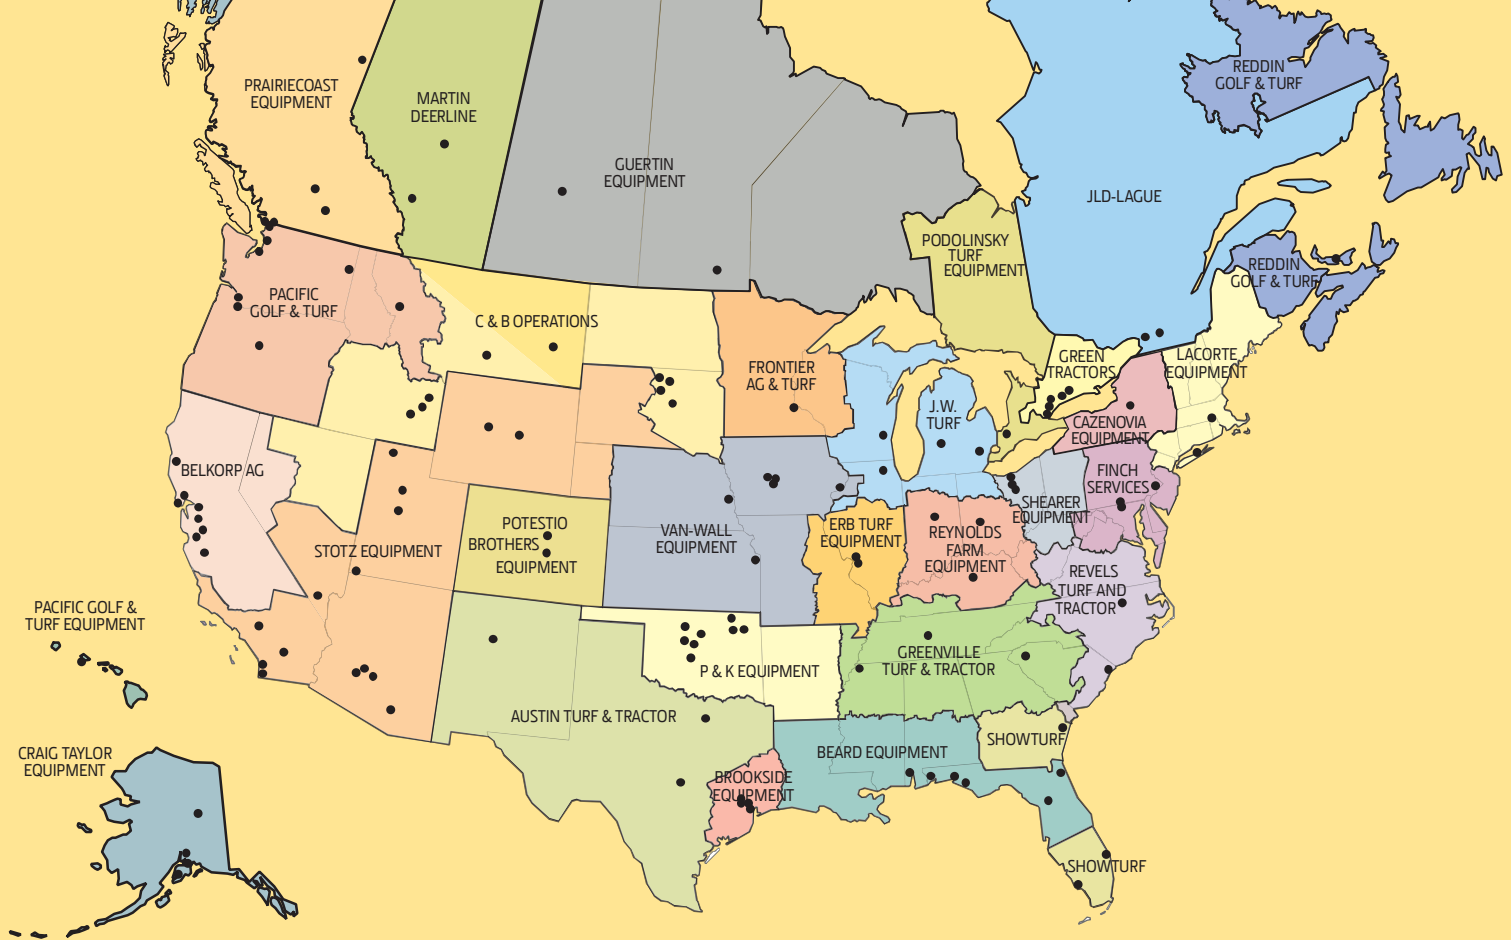

GETTING STARTED IS SIMPLE.

Activation is simple, and the advantages start as soon as your club purchases its first piece of John Deere Golf equipment. Once your club makes a purchase, send an email to ClubPartner@JohnDeere.com with club name, contact name and phone number. At that point, a John Deere Golf representative will contact you with all the details of your club's benefits.
